

# Pandora's Pull-On Pants

*A wardrobe basic, these straight leg, elastic-waist pants are slim-fitting, meaning that they are designed to skim the hip area and then fall straight to the hemline. Detailed instructions are included to assist with correct fitting and elastic is stitched directly in (not in a casing) for a flat finish with minimal bulk at the waistline. Make in cotton, rayons, linens, silks - great for play, office, evening or even for pajamas!*
