

Too Cute to Boot Diaper Covers

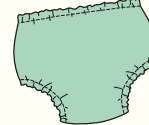

These darling diaper covers are lined and have elastic in casings at the waist and at the leg openings. The pattern offers a variety of appliqués which can be applied to the back of the non-ruffled (View A) diaper cover. The ruffled (View B) diaper cover has three overlapping ruffles on the back; the ruffles showcase three additional fabric coordinates. Adorn the back of the ruffled cover with a wide ribbon bow if you choose.

Pattern includes ¼" (6 mm) seam allowances.

These diaper covers are designed for lightweight woven fabrics such as cotton, cotton types, chambray, and broadcloth.
