

Jeans Fitting Seminar

with Jennifer Stern

on August 7th, 2011 Noon - 4 PM
at

The Quilter's Way (75, Commonwealth Ave, Concord, MA)

Let's talk denim:

- The Pros and Cons of Stretch Fabric vs. Non-Stretch Fabric
- Why you need to pre-wash denim at least 4 or 5 times.
- Choose the right notions to get professional results. (Threads, needles, and Wonder Tape).

Getting the Perfect Fit:

- How to work with a fit muslin to achieve the perfect fit.
- Fit adjustments like -- getting the waist band to sit on your waist—or where it's comfortable for you.
- Discover how the shape of the front and back crotch can make or break the fit of your jeans!
- Learn how to create a little more sitting room without adding to the width of your pattern pieces. And, tackle tough fitting problems like smiles or whiskers around the front crotch.
- Try on different size muslins and learn how to identify common fitting adjustments
